Please comment.

3. If you support incorporating Writing Intensive courses in GE in addition to the core required courses (English 1310 and English 1410, 2080, 2090, or INOV 2100), how many writing designated courses would you want students to take?

4. If you support incorporating Writing Intensive courses in GE, where in the curriculum would you want to see these courses offered?

___ All writing intensive designated courses should be offered in the GE curriculum.

___ All writing intensive designated courses should be offered in the majors.

___ Writing intensive courses should be offered both in GE and in the majors.

___ Other

Please explain your response.

5. Do you have a course or courses that you believe could be designated as writing intensive with some revision? How motivated would you be to change an existing course into a writing intensive course? Ideally, what resources and support would you need to do so?
